Dear Ben,

I wanted to let you know how pleased we have been at Flannery Painting with your product and services.

Our experience with NKOL has been very professional and extremely responsive to our needs. Honestly, some of our telephone calls to you have been regarding basic questions that we should have already known the answers to. But in all cases you and Ben Townsend have been very professional and understanding in handling all our questions.

You have always been quick to response to our hardware problems as well. On the few occasions we have needed in office assistance, you and Ben have very quick to respond.

We look forward to a long lasting relationship with NKOL and have and will continue to recommend NKOL to our associates.

Sincerely

Michael Knapke
